SUBJECT: Authorization To Order (ATO)

The California Department of Technology is pleased to have announced that the CALNET 3 Category 1, Voice and Data Services Invitation for Bid (IFB-A) solicitation has concluded. The first category of the CALNET 3 Statewide Contract(s) was awarded November 15, 2013.

CALNET 2 expires January 29, 2014. Local Government customers that would like to order new services or transition existing services to the CALNET 3 Statewide Contract(s) are required to fill out a new ATO.

A list of contractors and a description of the services, and the specific terms and conditions under which the services will be provided to a Non-state Entity are fully set forth in the Contract. Look forward to future ATR Bulletins about Catalog B postings for IFB-A which includes the applicable charges for services.

CALNET 3 is a multi-vendor contract. Customers may have multiple ATO's for like services.

Customized ATO forms have been created for each awarded Contractor. The forms and access to the CALNET 3 Statewide Contract(s) are available at the following website <http://marketing.dts.ca.gov/calnet3/>.
