Category: <b>Introduction</b>	Chapter Title: <b>STND Contact Information</b>	Chapter Number: <b>0101.0</b>

Issued: September 30, 1996

Revised: July 1, 2013

## PURPOSE

This chapter provides centralized address and telephone numbers for contacts referred to within the State Telecommunications Management Manual (STMM) chapters for the Statewide Telecommunications and Network Division (STND).

## POLICY

Questions about the STMM should be directed to the appropriate office or section within the Department of Technology – Statewide Telecommunications and Network Division ([California Department of Technology-STND](#)). If unclear about whom to contact you may call the STND at (916) 657-9150.

## STND RESPONSIBILITIES

- Ensures that quality telecommunications services and commodities are available to all state agencies and local governments, in the most cost-effective, efficient and timely manner possible. This includes maximizing the use of State resources and the consolidation and joint use of telecommunications systems and services where operationally, technically and economically feasible.
- Obtains contracts and supports voice and data services for the state's CALNET telecommunications network.

The STND continuously updates addresses and phone numbers in this chapter.
