

STATE TELECOMMUNICATIONS MANAGEMENT MANUAL

State of California Department of Technology		Statewide Telecommunications and Network Division
Category: Telecommunications Management	Chapter Title: Department of Finance	Chapter Number: 0202.0

Issued: October 24, 2008

Revised: July 1, 2013

The Department Technology works closely with the Department of Finance, State Procurement, and others to develop and implement consistent, standard state telecommunication and information technology policies and strategies.

The CALNET MSA is a recent example of the statewide vision and leadership that California is taking with regard to Information Technology (IT) and its strategic deployment to meet business challenges.
